## Learning Torah Has Never Been Easier!

Dear Friend,

Every morning and evening we recite in the *Shema*, "And you shall speak them while you sit in your house, while you go on the way..." This of course refers to the *mitzvah* of learning Torah. Each weekday we hop in our cars, ride the bus or subway, or walk to and from work. We go shopping, do laundry, or bake a cake. Why not make better or additional use of that time? Why not hear some of the best Maggidei Shiur lecture on Loshon Hara, Emunah, or the Parsha of the week? Not only will you gain *chizuk* and get the *mitzvah* of Limud HaTorah, but those hours of drudgery will go by a lot faster.

As most of you know, the Lower East Side has an extensive, free Torah Tape Library. We have tapes for men, women, and children from all backgrounds and all ages, on various topics including Halacha, Yom Tov, Hashkafa, Tanach, Chinuch, Marriage, and more, by popular Jewish speakers like Rabbi Yissochor Frand, Rabbi Avigdor Miller, Rabbi Paysach Krohn, Rebbetzin Faige Twerski, Rabbi Yitzchok Kirzner... The list goes on and on!

The latest index contains many exciting updates. We have recently expanded to include CDs—among them the entire Mishnah elucidated by Rabbi Nosson Scherman, and a complete collection of Daf Yomi shiurim—and video cassettes from the likes of Rabbi Amnon Yitzchak.

### Notes

- Membership is FREE... *and we'd like it to stay that way!* In order to maintain a library that is a pleasing service to the community, we need your help. Please follow these simple guidelines while using our library. We appreciate your consideration.
  - With a few exceptions, there is only **one** copy of each tape in the library, so please be careful with **each one**. The fee for a damaged or lost tape is \$5.
  - New tapes may not be taken out until all other tapes have been returned.
  - All tapes are copyrighted. Copying tapes is against the law and is a sin according to halacha, as many of the speakers make their living by speaking publicly and selling their tapes.
  - Please return the tapes **rewound and in their cases**. Do not write on them or mark them in any way.
- If you donate \$5 or more, we offer you a choice of **1 free book or tape!** (While supplies last.) Contact Rabbi Dov Tropper at 212-475-8595.
- Tape recorders are available in the Library for your convenience.
- Some tapes (such as those by Rabbi Reuvain Feinstein א"שליט"א) are 60-minute lectures recorded on 90-minute tapes. On these tapes, the recording on side A will end before the tape runs out. When this occurs, simply turn over the tape when the recording ends, rather than waiting until the end of the side, and the lecture will continue on side B where it left off, at that point. (The last 15 minutes of side A and the first 15 minutes of side B are blank.)
- Please be kind enough to inform us if there is any problem with a tape, e.g. if it is missing a topic, is mislabeled, etc. If you listen to any of the tapes that are labeled "Untitled," please give us a written suggestion for a title.
- We are looking for volunteers to help us expand our hours. If you would like to help out, please contact Rabbi Dov Tropper at 212-475-8595.
